Guidelines for Team Hockey Moms

Thank you so much for volunteering your time to be a Hockey Mom for your team. It is very much appreciated.

Hockey Mother's believes strongly in community spirit and strives to enhance the enjoyment of hockey by players and parents. The major prospects of the association are **fundraising** and our **banquets** which we organize at the end of the year. At these banquets, Hockey Moms donate a trophy or banner to every player that is involved in Hespeler Minor Hockey. Our fundraising also helps subsidize the cost of registration for each and every player.

In order to achieve success in these endeavors, we raise money through various fundraising events. **This is where your help and contribution is needed and appreciated.** At certain times of the year, we will ask you to contact all of your team parents to inform them of upcoming events or to ask for their help for the specific fundraiser or activity.

A Hockey Mom is the Primary Liaison between HMHA, Hockey Moms and the parents...

Hockey Moms deliver important information on events to parents on a regular basis throughout the season by attending Hockey Mom meetings which are usually once a month @ 7:30 in the meeting room on Rink 1 side of Hespeler Arena.

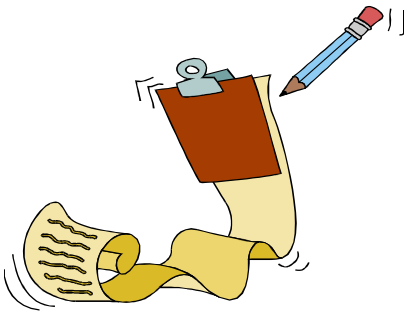

Please come...we need your ideas!! If you cannot attend make sure to contact the Hockey Mom President or someone you know that has attended the meeting so you don't miss any important information.

Assisting in various Hockey Mom fundraising events throughout the hockey season...

Poinsettias/Bake Sale – Distribute the poinsettias on the first Saturday in December or you can help bake or sell baked goods at the arena while the poinsettias are being picked up.

Valentine's Dance – Get donations from various companies to help with the prizes at the dance. Set-up the hall, help in the kitchen or help at the dance.

Most Important: Get to know the parents on your team let them know who you are and what we do at Hockey Moms. You can do that by contacting each parent on your team list and gather contact information for the team (see attached). Once completed make a copy for each family and don't forget the coaches. This will help the team blend together more easily and quickly as it gives them an opportunity to get to know the players and parent names.

Hand Out Checklist

To make your job easier, each family on your team should receive a copy of the following sheets from your booklet:

1. Hespeler Hockey Mom letter
2. Welcome to Hockey Season letter
3. List of Hockey Mom Meetings
4. Hockey Mom Upcoming Events
5. Team Contact List

Hespeler

Minor Hockey Moms

Together, every year our volunteers spend countless hours working to make our children's hockey season a success.

How we do this is by providing money for the following:

- Sponsoring teams
- Subsidizing the cost of hockey registration
- Holding the end of season banquets
- Purchasing trophies to be presented at the banquets

The money is raised through the following activities and events:

- Poinsettia/Bake Sale
- Annual Valentines Dance
- Selling Hespeler memorabilia: License plate covers, window decals, key chains, hand clappers etc.

These events have become a tradition that many families look forward to each year. We thank you and ask for your continued support. The smiles on our player's faces make it all worthwhile!

Welcome to the 2018/2019 hockey season. Let me introduce myself. My name is _____ and I am your Hockey Mom for your child's team this year. My child is _____.

I would like to familiarize you with some of the things that Hockey Mom's do throughout the year.

To start, we help get everyone acquainted with one another by handing out lists with parent's names and phone numbers (I'll be asking you for this information). This is a great way to get to know your team and if you should need to phone one of the other parent's, you can do so.

We also provide you with information throughout the year about fun events and fundraising that we do. Please see the list for more details. I will call and remind you about purchasing tickets or asking for your help with donations for the Bake Sale or to volunteer at one of our events.

I look forward to a great hockey season as well as getting to know everyone. If I can be of help at any time during the year, please do not hesitate to call me at _____ or I will see you at the arena.

Thank-you,
